You should receive an email from <u>noreply@CONNEXMarketplace.com</u> with a link to verify your email address. If you don't receive it within a few minutes, please check your spam or junk mail folder. The email is shown in step 3.

Step 3: Click the gray box to verify your email address.

Once you confirm your email, you will need to log in to the platform to link your account. The wizard will open and welcome you.

Step 5: Please select "Manufacturer". If you feel you qualify as a researcher, you can add that to your account later.

Step 6: You will be asked some basic questions about your company.

As you enter company name and address, the system will search to identify potential matches.

Pay special attention as it is searching the CONNEX Marketplace of over 140,000 company profiles. There may be a company with a similar name in another state. You'll want to make sure you are selecting the right match.

Step 7: If your company is listed, select it from the wizard. If not, ignore the suggested companies and continue entering information, such as phone number, website and DUNS number if known. If you don't know your DUNS number, you can select "I'll provide this later" to move through the Wizard.

Step 9: Select Your Subscription Plan (see the next two pages for full instructions)

On this screen, you will need to select your subscription plan. See the next two pages for an explanation of the various options:

Option 1: Free "Sponsored Access" - Depending on what state your company is in, you may receive free sponsored access from your local Manufacturing Extension Partnership organization (GENEDGE Alliance – VA MEP). If you are in a state that qualifies (based upon your address that you entered in Screen #3) then you will automatically see the free "Sponsored Access" available. If you are ONLY registering for the free state access (and not the entire national database access) then select the "Sponsored Access" box and click the "Register" button.
